Skylark Holdings Co., Ltd. Skylark will then introduce the service at Bamiyan, Jonathan's and Shabuyo, and a total of 2,800 stores will provide the service by March 31, 2020.

In June 2019, Skylark started to provide QR code payment at our delivery business (in-house delivery). In response to growing demand for cashless payments, now we have introduced to Gusto restaurants and will complete at approx. 2,800 stores by the end of March 2020. In anticipation of the increasing foreign customers visiting Japan for the 2020 Olympic and Paralympic Games, we would further improve customer convenience by expanding the payment options.

Skylark will continue to improve customer satisfaction through fundamental service reform utilizing IT and digital technologies going forward.
