

Take-out and Delivery Forks to be changed from Wooden to Bamboo - Cutlery and Shopping Bags to be chargeable from January 2023 -

Skylark Holdings Co., Ltd. (Headquarters: in Musashino, Tokyo; Chairman, President and CEO: Makoto Tani; TSE Prime Market: Stock code: 3197) has announced that take-out shopping bags and cutlery will be chargeable starting January 12, 2023, in order to accelerate group-wide efforts to reduce plastic use.

Additionally, take-out and delivery forks will be changed from wooden to bamboo in phases at approximately 2,700 Skylark Group stores, as a measure to improve the durability of single-use forks.

Take-out ordering (image)

■Cutlery specifications

Single-use forks to be changed from wooden to bamboo for improved durability.

No change in materials for single-use knives and spoons.

■Goods chargeable

- Shopping bags: 5 yen (incl. tax) for take-out per order, 5 yen (Incl. tax) for kiosk sales per bag.

*Free of charge for delivery orders

- Cutlery: 10 yen (incl. tax) for take-out and delivery orders (per piece of cutlery).

*A portion of the above fees received will be donated to environment conservation organizations.

■Expected impact

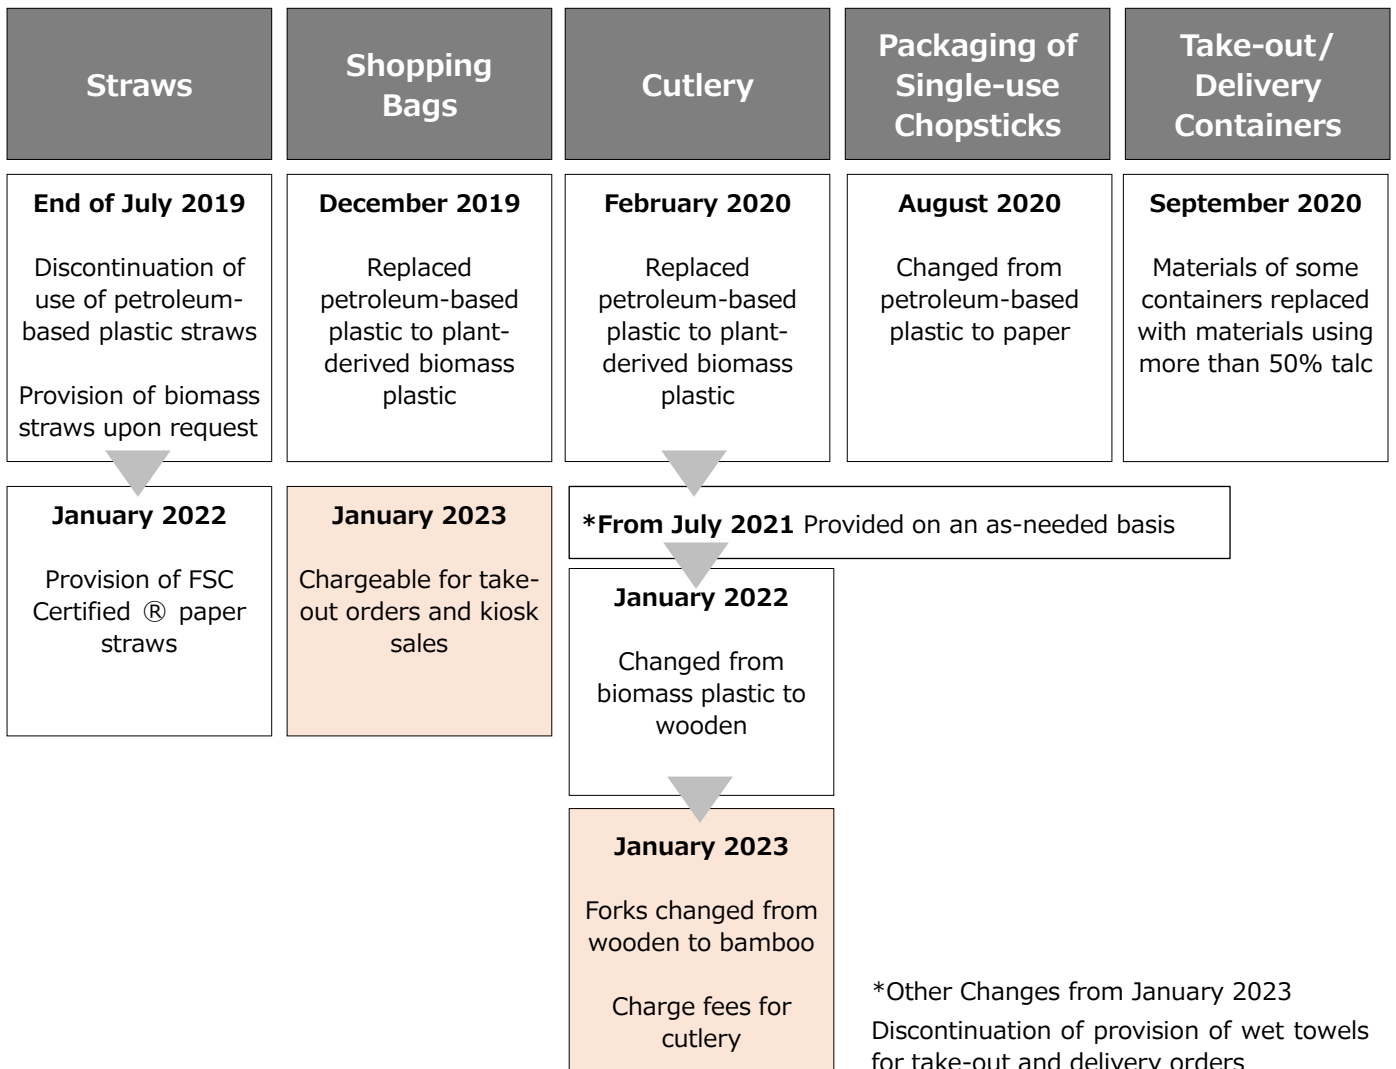

Annual plastic usage to be reduced by 70 tons by shopping bags becoming non-complimentary

*No plastic usage already for cutlery (Changed from biomass plastic to wooden from January 2022)

■KPI for De-Plasticization Measures

Major Indicators	KPI	
	2026	2030
Amount of disposable plastics used	50% reduction compared to 2020	50% reduction compared to 2020
Ratio of petroleum-based disposable plastic materials	50%	Zero

■KPI for De-Plasticization Measures
