Skylark Holdings Recognized as a "2026 Health and Productivity Management Outstanding Organization (Large Enterprise Category)"

Skylark Holdings Co., Ltd. and Skylark Restaurants Co., Ltd. announce that they have been recognized as a "2026 Health and Productivity Management Outstanding Organization (Large Enterprise Category)" under the recognition program jointly organized by the Ministry of Economy, Trade and Industry (METI) and the Nippon Kenko Kaigi.

■ Promotion of Health and Productivity Management

Based on the belief that "there can be no corporate growth without the physical and mental health of our employees," we view our employees as valuable management assets and position health and productivity management as a top priority. To ensure that the employees of our Group companies continue to thrive and remain healthy both physically and mentally, we aim to improve productivity and engagement, and ultimately enhance corporate value, through various initiatives.

■ Key Initiatives

1. Achieving a 100% regular health checkup attendance rate and preventing the aggravation of lifestyle-related diseases.
2. Promoting non-smoking initiatives.
3. Providing education to improve health literacy utilizing a health management app.
