Achieved First "AA" Rating in MSCI ESG Ratings

Skylark Holdings Co., Ltd. (Chairman and CEO: Makoto Tani) has achieved an "AA" rating for the first time in the MSCI ESG Ratings. We recognize that this upgrade by one tier from our previous "A" rating to "AA"—the second-highest level available—reflects a positive evaluation of our ongoing ESG initiatives and disclosure practices.

We will continue to strengthen our ESG efforts and actively communicate our progress, striving to remain a company trusted by all of our stakeholders.

****MSCI ESG Ratings****

The MSCI ESG Ratings are global benchmarks provided by MSCI Inc. They analyze companies' initiatives and risk management capabilities regarding Environment, Social, and Governance (ESG) factors, assigning ratings across seven levels ranging from the highest rank of "AAA" to the lowest rank of "CCC."
